

Request to Test - TB Testing of Deer, Camelids and Other Non-bovine Species

1. Application to Test Section (to be completed by Private Veterinary Surgeon (PVS))

I am writing to seek the agreement of the Secretary of State/Welsh Ministers/Scottish Ministers* to carry out a TB test on the following camelid/deer/other species herd:

(Insert Name and Address of the keeper where the test is to be undertaken)

No. of deer:

No. of camelids:

No. of other species: Specify:

Date of test:

CPH/Customer No.

Is this test for export purposes? Yes No

If yes, have you experience of testing camelids/deer and have you read the specific camelids testing requirements? Yes No

What official qualifications do you hold e.g. OCQ(V)-TT?

Is this test: Private Statutory Skin Test Blood Test

2. Consent Section (to be completed by Animal and Plant Health Agency (APHA) Veterinary staff)

Consent is given to you undertaking the tests set out above. All test results must be notified to your local APHA office within the target time.

Signature

Veterinary Officer (VO) / Senior Veterinary Inspector (SVI)

Name in BLOCK LETTERS Date

Note 1: Include a copy of this declaration of consent along with the Camelid TB Serology Package Statutory Sample Submission Form (TN183) or Camelid TB Serology Package - Private Sample Submission Form (TN186) with any clotted bloods submitted to Starcross Veterinary Investigation Centre (VIC) for TB serology tests.

Note 2: In Wales, it is not permissible to inject tuberculin as a 'primer' without reading the skin test at 72 hours.

3. Submission of Results (PVS sends this completed form to local APHA office)

Send this declaration (part 3 completed) with skin test charts (TN52) or serology results to your local APHA office, (and subsequently with blood test results in the case of camelids having both test types applied).

Below are the results from the TB testing of this camelid/deer/other species herd:

No. of reactor deer:	<input type="text"/>	No. of TB negative deer:	<input type="text"/>
No. of reactor camelids:	<input type="text"/>	No. of TB negative camelids:	<input type="text"/>
No. of reactor other species:	<input type="text"/>	No. of TB negative other species:	<input type="text"/>
