

## Certificate of Tuberculin Testing by Official Veterinarian/Veterinary Head of Field Delivery/ Veterinary Lead Scotland /Veterinary Lead Wales

This is to certify that on

the following animal(s) were subjected to a single intradermal comparative tuberculin test using Lelystad avian and mammalian tuberculins and that in my opinion this/these animal(s) passed the test.

| Description of Cattle    |                        |     |     |
|--------------------------|------------------------|-----|-----|
| Official animal identity | Further Identification |     |     |
|                          | Breed                  | Age | Sex |
|                          |                        |     |     |
|                          |                        |     |     |
|                          |                        |     |     |
|                          |                        |     |     |
|                          |                        |     |     |
|                          |                        |     |     |
|                          |                        |     |     |
|                          |                        |     |     |
|                          |                        |     |     |
